Description

Apple Tree is a stylishly updated home, located in a quiet residential area, close to city centre, beaches, orchards & golf courses. We pamper you with fine linens, comfortable beds, warm hospitality, hearty breakfasts made from local produce, and loads of coffee. We look forward to being your hosts!

Go ahead and pour your first cup of the day. Read the morning news. Enjoy an exceptional breakfast while chatting with your fellow guests. Exchange notes and anecdotes about the thrills and spills of Kelowna. Venture out on your own, or let us make arrangements for a local wine tour, direct you towards the best beach, or map out a biking excursion for the day (with plenty of ice cream stops, of course). And remember, there's never, ever a rush.

Enjoy your stay.

OUR HOME, YOUR STAY

A short four hours drive east of Vancouver and just six hours from Banff, Kelowna sits majestically upon the Okanagan Lake in a valley of the same name. Our little centrally-located gem is generally considered to be the Napa Valley of British Columbia. Travelers from around the world come to see and enjoy our award-winning vineyards, abundant orchards, authentic European restaurants, and recreational activities—everything from outback hiking adventures to world-class golfing excursions.

YOUR FRIENDS, YOUR HOSTS

All this adventure awaits you from our front door. We started a whole new life when we "retired" and opened Apple Tree in 2007. But really, it doesn't feel like work at all. We spend almost as much time enjoying the summer wine festivals and towering mountains, as much as our guests. We'll be happy to help make your visit to Apple Tree, and wherever else you're going, a time you'll treasure for years to come.

ENJOYING YOUR STAY

While it's nice to feel at home, we like to remember that you're on holiday. So we do everything to make your stay extra special. That includes breakfast the way you like it: full, continental, or on the go. Your special diet requirements can be accommodated with advanced notice. Take your meal wherever you like in the dining room or on the deck, or packaged to go.

And don't forget to ask Donna about her delightful lunch options.

You'll also enjoy:

- Private entry
- Wet bar
- Free wifi
- Sitting area
- Fireplace

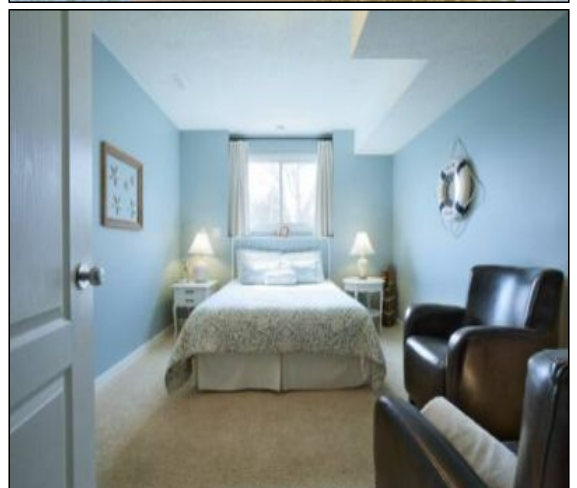

Apple Tree Bed & Breakfast is an adult only, smoke-free, and pet-free environment.
