Description

Savasi island is your own private and secluded paradise!

A stunning location for a romantic getaway or travelers seeking quieter surroundings and ideal for families or small groups of friends wishing to share in the exclusive use of a home away from home. Savasi island is a magical place where there are no schedules or organized activities and where your stress will be instantly forgotten as you kick off your shoes at the doorstep of your waterfront villa.

The surrounding pristine waters, the amazing volcanic reefs and the beautiful tropical gardens provide an environment to explore rock pools, snorkel in the lagoon, paddle in a kayak, bask in the sun, take walks to explore the forest or just simply relax and enjoy the panoramic water views and "blow holes" from the deck as you enjoy the gentle sea breezes and glorious sunsets at the end of the day.
